Re: Application of South Carolina Electric & Gas Company for
Adjustments in the Company's Electric Rate Schedules and Tariffs
Docket No. 2007-229-E

Dear Mr. Terreni:

The Docketing Department issued a revised prefile letter on October 2, 2007, extending the dates for the parties to file testimony and exhibits in the above-captioned case.

The purpose of this letter is to seek an extension of one day for all parties of record to prefile their testimony and exhibits. The reason for this request is that the parties continue to have discussions underway designed to identify and narrow issues in this case. Consequently, we believe that granting the extension of one day will be beneficial to all parties and will result in efficiencies and judicial economy. The intervenors and the South Carolina Office of Regulatory Staff agree to provide SCE&G an electronic copy of the testimony and exhibits filed with the Commission if this request is granted.

All parties¹ join in this request and no other date changes are sought. The parties request that a revised letter be issued by the Docketing Department establishing October 11, 2007 as the deadline for which all other parties of record must prefile direct testimony and exhibits. Currently the deadline is October 10, 2007.

¹ As of 4:00 today the parties have yet to receive a response from Kroger; however, based on prior correspondence, the parties believe that Kroger would support this request.
